Learning and Teaching Strategies

استراتيجيات التعلم والتعليم

Strategies

The program is designed to have two theoretical hours in points related to grammar and other three hours for the sake of practicing including doing the exercises. Before an exam, the student will have the chance to review the previous given materials. The practical hours includes some basic information in pronunciation, reading, speaking, listening and writing skills.

The program instructor will follow a mixture of traditional and communicative approaches to achieve the above mentioned aims. The students will be asked to do some exercises and quizzes in relation to grammar. They could be divided into groups having certain duties related to different practical activities to be done by them. Each student will have his own evaluation which will raise the grade of each group work as a whole. The best group work will be rewarded at the end of the semester with some additional marks for their good performance during the course. Doing quizzes and assignments inside the classroom are very important to adjust some important grammatical points.

To ensure self-learning, some websites and parts of texts related to the given lectures are going to be given to them. Certain activities such as speaking and listening are going to be given forward so as to be ready for the duties while practicing them inside the classroom..
